Doing Business with City Government

How to Use this Buying Plan – Commodities and services purchased for City departments are procured through a Request for Proposal (RFP) or a Bid solicitation process in an effort to offer the opportunity for equitable participation in City contracting opportunities. In addition, often times small dollar value purchases between \$5K and \$10K are obtained via a department soliciting quotes from multiple vendors. Furthermore, purchases are also made by City departments outside of a formal Bid or RFP process, in accordance with City ordinances, policies and procedures. Lastly, purchases may be made as a result of utilizing a piggyback/cooperative contract or through an Exception to Bid (ETB) procurement process.

For more information regarding a particular commodity or service, including the anticipated procurement process (Bid, RFP, Piggyback, ETB, etc...) that will be utilized, please reach out via email to the contacts listed in the Buying Plan. Please ensure that **City of Milwaukee Buying Plan** is referenced in the Subject Line of your email, so that the point of contacts are fully aware of the fact that your inquiry is regarding purchases that are referenced in this document. Lastly, please note that all Bids and RFPs are also be posted to our website at milwaukee.gov/ContractingOpportunities.

The American Rescue Plan Act

The American Rescue Plan Act of 2021, also called the COVID-19 Stimulus Package or American Rescue Plan (ARP), is a US \$1.9 trillion economic stimulus bill passed to speed up the country's recovery from the economic and health effects of the COVID-19 pandemic and the ongoing recession. The money available for residents and local initiatives is unlike any previous federal program. It gives us a chance to improve lives, solve problems, and profoundly change efforts City government is making to address our challenges in a manner that puts racial equity and inclusion front and center.

The City of Milwaukee has been allocated approximately \$394.2 million in direct ARP assistance. It is the City's goal to use the funds to enable the City and community to recover from the pandemic, address the needs of residents, families and neighborhoods hardest hit by the pandemic, and put our city on a path to a strong, inclusive and equitable recovery. Contracting opportunities specific to ARP funding are included in this Buying Plan. The City's ARPA priority areas include:

- Early Education
- Stable and Affordable Housing
- Eviction and Foreclosure Prevention
- Broadband/Internet Access
- Critical Infrastructure
- Workforce Development
- Economic Development
- Small Business Development
- Public Health and Community Resiliency

City of Milwaukee Department of Administration Purchasing Division

Mission Statement

The Purchasing Division's mission is to acquire Commodities and Services for City Departments in the most cost effective, efficient, and impartial manner within the appropriate guidelines. Purchasing maintains the highest commitment to racial equity, transparency, and innovation while supporting programs and initiatives that empower city residents to become involved in contracting opportunities available at the City.

Socioeconomic Contracting Programs

The City of Milwaukee offers programs to provide incentive to bidders including the following:

- Local Business Enterprise (LBE) Program
- Purchase of Milwaukee-Made, Milwaukee County-Made, and American-Made Goods
- Small Business Enterprise (SBE) Program
- Socially-Responsible Contractors (SRC) Program

For more information on these programs and more:

- Visit milwaukee.gov/Purchasing
- Click on "Programs"

What Do We Buy?

Commodities and services include, but are not limited to:

- Public health services and medical equipment and supplies
- Consulting, financial services, and IT services
- Fire and police equipment, communications equipment, and computer hardware and software
- Light and heavy-duty vehicles, automotive supplies, fuel, lubricants, and chemicals
- Office supplies and equipment, furniture, and more

Helpful Tips

When submitting a bid to the City of Milwaukee, be sure to:

- Submit the bid on time.
- If required, submit any descriptive literature of your product.
- Bid all line items—many bids require that all line items must be bid to be considered for an award.
- Comply with all social and economic contracting requirements as stated in the text of the bid.
- Start working on the bid documents early— any questions you may have about the bid must be directed in writing to the Purchasing Agent at least **five (5)** business days prior to the bid closing date. The Purchasing Agent's contact information will be listed on the first page of the invitation to bid.
- Additional tips can be found at: milwaukee.gov/Purchasing > Policies & Procedures > Tips on Doing Business

Viewing Active Bids

All active Bids and Requests for Proposals (RFPs) are posted on the City's website.

To view active bidding opportunities, visit milwaukee.gov/ContractingOpportunities

Click on any of the listed departments to view and download their active bids.

Quickly Obtain Notices Regarding Bid Opportunities

The City of Milwaukee uses an electronic notification system to announce when a new bid is available.

When a new bid is posted, the system issues a notice that will come directly to you via email containing basic information such as:

- Bid number
- A brief description of the commodity or service
- A hyperlink to view and download the bid
